### **Things to bring**

Riding clothing, boots with a heel and riding helmet

Bow and a **minimum of 2 dozen arrows** - you will need at least 24 for for the Polish track, I suggest you bring more. (equipment purchases and hire can be made through Katrina)

Wide brimmed hat, sunnies and sunscreen

Clothes suited for Autumn in South East Queensland - warm days and cool nights

**Horse Hire** There are a limited number of well trained horse archery mounts available for most levels.

Please fill in the questionnaire so we can do our best to match you up with the right horse. You will need to attend Fridays practice session (you do not have to book in for the Anna training session if you not wish) to be introduced to your horse if you are not already attending Aussie Bow Camp the week before.

If Camping is not for you, optional accommodation may be available. Discuss this with Katrina.

## **GRADES AND DIVISIONS**

You may enter a different grade (only) on a different horse - you can not enter the same grade twice i.e. one horse for trot and one for canter, but not two in trot - the Horse Archer (rider) experience is what we work the Grades and Divisions entered - not the horse.

**Novice** - A first time competitor (this does not include Postal Matches entered or Grading)

**Sportsman** - This is for those shooting at IHAA W&T or up to S3 levels or who have done a couple of competitions but are not at open level, this category can also be entered by **first time** International competitors who have not competed Internationally before. **NOTE** If you have won or placed at State or National level in your grade (speed) you must enter OPEN in that Grade (speed)

**Open** - Anyone who has won any level of competition in the past ( at the grade (speed) they are entering for this competition) FOR CANTER CLASS - Anyone who has competed Internationally (from Australia) or are IHAA Graded Horse Archers at S4 OR ABOVE or choose to enter at this level.

If there are not enough entries to fill a division (min 3) at a particular Grade (speed) entries will be combined with the next division at the Contest Directors discretion.

All Contest Directors decisions with regards to any grades and divisions are final and no negotiation will be entered into.

You must compete and shoot on all three tracks to be an overall winner or place getter. The **2019 AUSTRALIAN OPEN CHAMPIONS WILL BE THE OVERALL WINNERS FROM THE OPEN DIVISION FOR CANTER ONLY** ~ For all three age categories

### **COMPETING IN MULTIPLE GRADES**

You must only do two consecutive grades (speeds) ie walk and trot or trot and canter - NOT walk and canter. *For example* you have entered Trot Open, ( because you have won or graded at that level) but it is your first time competing at Canter, thus you can enter Canter Novice. You are always able to enter a higher division if you wish.

So that the tracks competed are also able be used for IHAA grading, the following tracks will be used ;
